MEMORANDUM FOR: Director of Personnel

1. In line with our conversation today, the attached is a list of matters surfaced during the Senior Administrative Officers Conference which seem worthy of follow-up action by your Office. It is apparent that in several instances, e.g., the matter of processing T/D's, the interest of your Office is paramount but not exclusive.

2. It would seem that the action to be taken on these various items cannot be resolved or accomplished in accordance with any schedule which could be fixed at this time. However, I believe that Colonel White will welcome your views and suggestions on this soon after he returns.
